

On Silent Wings
Tina Turner

[Intro]: **G**

Em D G
There was a time when I would have followed you
Em Em7 C
To the end of the earth
Am Em
I was willing to share it all with you
D
The love, the hurt
Em D G
I've seen you when your dreams were falling in the dust
Em Em7 C
But I never stopped believing in you
Am Em
I always thought our love was strong enough
F A
One you could hold on to

D A
You never see it coming
G
You just let it fly
A D A G Bm7 A
On silent wings, silent wings
D A A7 G
You can't hide what you feel inside
G D Em7
And the fire has left your eyes
C9 G
On silent wings

Em D G
I see us in our dreams and we're dancing
Em Em7 C
I can almost hear the song
Am Em
But the prayers, they go unanswered
D
But we both know, we're just hanging on

Em D G
I feel ashamed, but I'll never know the reason why
Em Em7 C
The rug was pulled so gently from under my feet
Am Em
I only know that something good has died

F **A**
Between you and me, oh it s just a memory

D **A**
You never see it coming

G
You just go separate ways
