

On Silent Wings
Tina Turner

[Intro]: A

F#m **E** **A**
There was a time when I would have followed you
F#m **F#m7** **D**
To the end of the earth
Bm **F#m**
I was willing to share it all with you

The love, the hurt
F#m **E** **A**
I've seen you when your dreams were falling in the dust
F#m **F#m7** **D**
But I never stopped believing in you
Bm **F#m**
I always thought our love was strong enough
G **B**
One you could hold on to

E **B**
You never see it coming
A
You just let it fly
B **E** **B** **A** **C#m7** **B**

You can't hide what you feel inside

And the fire has left your eyes

On silent wings

F#m **E** **A**

But we both know, we're just hanging on

I feel ashamed, but I'll never know the reason why

The rug was pulled so gently from under my feet

I only know that something good has died

Between you and me, oh it s just a memory

You just go separate ways
