[Verse 1]

		A		E		
In	what	other	lives	have	I	known
						your
						kiss
and	what	forgotten	moments	have	I	felt
						like
						this?
The	way	you	touch	me	I	come
						undone
you	know	me	more	than	anyone,	whatever
						you
						want

[Verse 2]

		A		E		
In	what	other	lives	have	I	touched
						your
						face
and	what	words	did	we	whisper	in
						a
						strange
						forbidden
						place?
To	be	with	you	baby	is	to
						find
						myself
we	re	two	of	a	kind,	you
						and
						I
couldn	t	love	anyone	else		

[Pre-Chorus]

		B		A		
You	are	my	beginning,	my	end,	you
						are
						my
						lover,
						my
						friend
in	this	life,	in	this	time	

[Chorus]

Whatever	you	want,	whatever	you	need	
		A				
I	will	be	right	here	waiting,	baby
						baby
						baby
		E				
Whatever	you	want,	whatever	you	need	
		A				
I	will	be	right	here	waiting,	yeah
						yeah
						yeah
						yeah
