

Whats Love Got To Do With It
Tina Turner

*This is my first submission.

I play all the chords as root 6th string and 5th string bar chords.

I play this song out solo acoustic and get a great response. Have fun!

What's Love Got To Do With It
Tina Turner

[Verse 1]

G#m

You must understand

That the touch of your hand

F#

Makes my pulse react

G#m

That it's only the thrill

Of boy meeting girl

F#

Opposites attract

E

F#

It's physical

E

F#

Only logical

E

You must try to ignore

F#

That it means more than that

[Chorus]

B

F#

E

F#

Oh what's love got to do, got to do with it

What's love but a second hand emotion

What's love got to do, got to do with it

Who needs a heart

When a heart can be broken

[Verse 2]

It may seem to you

That i'm acting confused

When you`re close to me
If i tend to look dazed
I`ve read it someplace
I`ve got cause to be

There`s a name for it
There`s a phrase that fits
But whatever the reason
You do it for me

[Chorus]

B **F#** **E** **F#**
Oh whats love got to do, got to do with it
What`s love but a second hand emotion
What`s love got to do, got to do with it
Who needs a heart
When a heart can be broken

[Solo] Key Change **C#** , **G#** , **F#** , **G#**

[Bridge]

B **C#**
I`ve been taking on a new direction
B **C#**
But i have to say
A **B**
I`ve been thinking about my own protection
G#m **C#**
It scares me to feel this way

[Chorus] **C#** , **G#** , **F#** , **G#**

Oh whats love got to do, got to do with it
What`s love but a second hand emotion
What`s love got to do, got to do with it
Who needs a heart
When a heart can be broken

Oh whats love got to do, got to do with it
What`s love but a second hand emotion
What`s love got to do, got to do with it
Who needs a heart
When a heart can be broken
