

**When The Heartache Is Over**  
**Tina Turner**

**Am**

Once in a lifetime you find

**C**

Someone to show you the way

**F**

Someone to make your decisions

**G**

And I let you lead me astray

**Am**

Who did you think you were fooling

**C**

Said you were missing me blind

**F**

But the truth is I knew you were lying

**G**

You were using me time after time

Refrão

**C**

When the heartache is over

**G**

**F**

**G**

I know I won't be missing you (missing you)

**C**

Won't look over my shoulder

**G**

**F**

**G**

**C**

**G**

**F**

**G**

Cause I know that I can live without you (Oh, live without you, I can live without you)

**Am**

Time to move on with my life now

**C**

Leaving the past all behind

**F**

I can make my own decisions

**G**

It was only a matter of time

**Am**

Sometimes I look back in anger

**C**

Thinking about all the pain

**F**

But I know that I'm stronger without you

**G**

And that I'll never need you again
