

Don t fight the feeling (Don t fight the feeling)  
C B (Definitely wrong, what goes here?)  
I won t fight the feeling  
**Am**  
Cuz it feels so, so good  
C

(So what I want to do is)Jump and touch the ceiling

It s the way you got me feeling

**Am**

My gosh I must be dreaming

Got me dancing like a heathen

**F**

**G**

**F**

**G**

I hear you boy, I still want to take your hand, Baby I understand

**C**

I want to dance till the morning comes.

**Am**

I want to dance the night away.

**C**

I want to dance till the morning comes.

**Am**

I don t care what people say

All night long (x8) (The C, Am thing works fine here)

Repeat that last bit (Minus all the night lengths) (x2)

(Back to first two lines)
