Chords by portonikos@gmail.com

Intro: **Bm A G F#m (x2) Bm**

Bm A G F#m

Greed s all gone now, there s no question

Bm A G F#m

And I can see you push your hair behind your ears, Regain your balance

Bm A G F#m

Doesn t matter where she is tonight, Or with whoever she spends her time

Bm A G F#m

If these arms were meant to hold her, They were never meant to hold her so tight

Bm

For the love of that girl

A G F#m

Greed s all gone now, the panic subsides

Bm A G F#m

When I could run, pulling arms to love her, Try to put myself on on the inside

C#m

G#m

For the love of that girl, Tears swell, you don t know why

C#m G#m G#7

For the love of that girl, They never fall, they can never run dry

Bm

For the love of that girl

Bm A G F#m (x2)

Bm A G F#m

Promise is never over, never questioned it needed reply

Bm A G F#m

But she could breathe deep into my neck, Let me know I m just on the outside
