

Another Night In  
Tindersticks

Tindersticks - Another Night In  
Chords by portonikos@gmail.com

Intro: Am G F Em (x2) Am

Am G F Em

Greed s all gone now, there s no question

Am G F Em

And I can see you push your hair behind your ears, Regain your balance

Am G F Em

Doesn t matter where she is tonight, Or with whoever she spends her time

Am G F Em

If these arms were meant to hold her, They were never meant to hold her so tight

Am

For the love of that girl

G F Em

Greed s all gone now, the panic subsides

Am G F Em

When I could run, pulling arms to love her, Try to put myself on on the inside

Bm

F#m

For the love of that girl, Tears swell, you don t know why

Bm

F#m

F#7

For the love of that girl, They never fall, they can never run dry

Am

For the love of that girl

Am G F Em (x2)

Am G F Em

Promise is never over, never questioned it needed reply

Am G F Em

But she could breathe deep into my neck, Let me know I m just on the outside

Bm

F#m

For the love of that girl, Tears swell, you don t know why

Bm

F#m

F#7

For the love of that girl, They never fall, they can never run dry

Am

For the love of that girl

G F Em

Greed s all gone now, there s no question

Am G F Em

And I can see you push your hair behind your ears, Regain your balance

Am G F Em

Doesn t matter where she is tonight, Or with whoever she spends her time

Am G F Em

If these arms were meant to hold her, They were never meant to hold her so tight

For the love of that girl, Tears swell, you don t know why  
For the love of that girl, They never fall, they can never run dry  
For the love of that girl, Tears swell, you don t know why  
For the love of that girl, They never fall, they can never run dry  
For the love of that girl
