

**Lets Pretend
Tindersticks**

Am **C**
Let s not make it into a big thing

Am **C**
Let s not get lost in this

Em **F**
I know it is, I know we could

C **G**
I guess we surely would

F **C**
Let s pretend it s not

E7
It doesn t mean a thing

Let s not blow it out of all senses
As though it meant so much
It s always thought about for weeks
Not everytime your lips meet mine, I think of her
But when her hands reach out, I think of you
