(Lyric and music by *Martina Stoessel?*)

SOL#m DO#
Easy come easy go for a minute
MI
I can't keep my hands off you
SOL#m DO#
You're a million dollar bill don't forget it
MI
I wanna spend my time on you.

SOL#m DO#/FA
And I been wondering from morning to night
MI
stuck in delirium I'm losing my mind
SOL#m DO#
Do you feel it? Do you feel it?
MI
Feels so real, real, real.

SOL#m FA#
You're my great escape,
RE#m MI
feels too good to give away
SOL#m FA#
and with every breath I take
MI
I can't help myself, I can't help myself.

SOL#m FA#
You're my great escape,
RE#m MI
I won't let you get away
SOL#m FA#
and with every breath I take
RE#m MI
I can't help myself, I can't help myself.

SOL#m DO# MI FA#
Oh, oh, oh.
SOL#m DO# MI FA#
Oh, oh, oh.

SOL#m DO#
Wide awake wanna stay tunnel vision
MI FA#

falling for the sweetest sin
SOL#m DO#
I wanna taste everything when we're kissing
MI FA#
I love it when we're skin to skin.

SOL#m DO#/FA
And I been wondering from morning to night
MI
stuck in delirium I'm losing my mind
SOL#m DO#
Do you feel it? Do you feel it?
MI FA#
Feels so real, real, real.

SOL#m FA#
You're my great escape,
RE#m MI
feels too good to give away
SOL#m FA#
and with every breath I take
RE#m MI
I can't help myself, I can't help myself.

SOL#m FA#
You're my great escape,
RE#m MI
I won't let you get away
SOL#m FA#
and with every breath I take

You're my great escape,
RE#m MI
feels too good to give away
SOL#m FA#
and with every breath I take
RE#m MI
I can't help myself, I can't help myself.

SOL#m FA#
You're my great escape,
RE#m MI
I won't let you get away
SOL#m FA#
