

Written In The Stars
Tinie Tempah

This is my first tab so be nice, literally learnt from ear, just uses 4 chords:
Am F C and **G**.

Feel free to put the capo wherever on the fretboard to tune it to your voice.
Enjoy. Much love, JTS.

[Verse 1]

Am
Yeah you re listening now
F
They say they aint heard nothing like this in a while
C
Thats why they play my song on so many different dials
G
Cause I got more hits than a disciplined child
Am
When they see me everybody brrrrrap s, brrrrrraps
F
Man I m like a young gun fully black Barrack
C
I cried tear drops over the massive attack
G
I only make hits like I work with a racket and bat

Am

Look at my jacket and hat

F

So damn berserk, so down to earth

C

I m bringing gravity back, adopted by the major I want my family back

G

People work hard just to get all their salary taxed

Am

Look Im just a writer from the ghetto like Malory Black-

F

-Man, where the hells all the sanity at

C

G

Damn, I used to be the kid that no one cared about

Thats why you have to keep screaming til they hear you out

F

C

Am

I even done the legal stuff and was leaded astray

F

Now money is the root to the evilist ways

C

But have you ever been so hungry that it keeps you awake

G

Mate, now my hunger would leave them amazed

Am

F

Great, it feels like a long time coming, fam

C

Since the day I thought of that cunning plan

G

One day I had a dream I tried to chase it

Am

But I wasn't going nowhere, running man!

F

I knew that maybe someday I would understand

Trying to turn a tenner to a hundred grand
