

Written In The Stars
Tinie Tempah

This is my first tab so be nice, literally learnt from ear, just uses 4 chords:
Bbm F# C# and **G#**.

Feel free to put the capo wherever on the fretboard to tune it to your voice.
Enjoy. Much love, JTS.

[Chords]

Bbm = x02210
F# = x33211
C# = x32010
G# = 320022

[Chorus]

Bbm **F#**
Oh, written in the stars
C#
A million miles away
G#
A message to the main, oooh
Bbm **F#**
Seasons come and go
C#
But I will never change
F#
And I m on my way

[Verse 1]

Bbm
Yeah you re listening now
F#
They say they aint heard nothing like this in a while
C#
Thats why they play my song on so many different dials
G#
Cause I got more hits than a disciplined child
Bbm
When they see me everybody brrrrrap s, brrrrraps
F#
Man I m like a young gun fully black Barrack
C#
I cried tear drops over the massive attack
G#
I only make hits like I work with a racket and bat

Bbm

Look at my jacket and hat

F#

So damn berserk, so down to earth

C#

I m bringing gravity back, adopted by the major I want my family back

G#

People work hard just to get all their salary taxed

Bbm

Look Im just a writer from the ghetto like Malory Black-

F#

-Man, where the hells all the sanity at

C#

G#

Damn, I used to be the kid that no one cared about

Thats why you have to keep screaming til they hear you out

[Chorus]

Bbm

F#

Oh, written in the stars

C#

A million miles away

G#

A message to the main, ooooh

Bbm

F#

Seasons come and go

C#

But I will never change

F#

And I m on my way

[Verse 2]

Bbm

Yeah, I needed a change

F#

When we ate we never took because we needed a change

C#

I needed a break

G#

For a sec I even gave up believing and praying

Bbm

I even done the legal stuff and was leaded astray

F#

Now money is the root to the evilist ways

C#

But have you ever been so hungry that it keeps you awake

G#

Mate, now my hunger would leave them amazed

Bbm

F#

Great, it feels like a long time coming, fam

C#

Since the day I thought of that cunning plan

G#

One day I had a dream I tried to chase it

Bbm

But I wasn't going nowhere, running man!

F#

I knew that maybe someday I would understand

C#

Trying to turn a tenner to a hundred grand

G#

Everyones a kid that no-one cares about

You just have to keep screaming until they hear you out

[Chorus]

Bbm

F#

Oh, written in the stars

C#

A million miles away

G#

A message to the main, ooooh

Bbm

F#

Seasons come and go

C#

But I will never change

F#

And I'm on my way
