Feel free to put the capo wherever on the fretboard to tune it to your voice.

A  
A message to the main, ooooh  
Bm G  
Seasons come and go  
D  
But I will never change  
G  
And I m on my way

[Verse 1]

**Bm**  
Yeah you re listening now  
**G**  
They say they aint heard nothing like this in a while  
**D**  
Thats why they play my song on so many different dials  
**A**  
Cause I got more hits than a disciplined child  
**Bm**  
When they see me everybody brrrrrap s, brrrrrraps  
**G**  
Man I m like a young gun fully black Barrack  
**D**  
I cried tear drops over the massive attack  
**A**  
I only make hits like I work with a racket and bat

**Bm**

Look at my jacket and hat

**G**

So damn berserk, so down to earth

**D**

I m bringing gravity back, adopted by the major I want my family back

**A**

People work hard just to get all their salary taxed

**Bm**

Look Im just a writer from the ghetto like Malory Black-

**G**

-Man, where the hells all the sanity at

**D**

**A**

Damn, I used to be the kid that no one cared about

Thats why you have to keep screaming til they hear you out

[Chorus]

**Bm**

**G**

Oh, written in the stars

**D**

A million miles away

**A**

A message to the main, ooooh

**Bm**

**G**

Seasons come and go

**D**

But I will never change

**G**

And I m on my way

[Verse 2]

**Bm**

Yeah, I needed a change

**G**

When we ate we never took because we needed a change

**D**

I needed a break

**A**

For a sec I even gave up believing and praying

**Bm**

I even done the legal stuff and was leaded astray

**G**

Now money is the root to the evilist ways

**D**

But have you ever been so hungry that it keeps you awake

**A**

Mate, now my hunger would leave them amazed

**Bm**

**G**

Great, it feels like a long time coming, fam

**D**

Since the day I thought of that cunning plan

**A**

One day I had a dream I tried to chase it

**Bm**

But I wasn't going nowhere, running man!

**G**

I knew that maybe someday I would understand

**D**

Trying to turn a tenner to a hundred grand

**A**

Everyones a kid that no-one cares about

You just have to keep screaming until they hear you out

[Chorus]

**Bm**

**G**

Oh, written in the stars

**D**

A million miles away

**A**

A message to the main, ooooh

**Bm**

**G**

Seasons come and go

**D**

But I will never change

**G**

And I'm on my way
