

**Carriages
Tiny Ruins**

[Verse]

Am E Fm Am E Fm
Noise before the dawn lures me up and about
Am E Fm
Padding on bare feet, quiet as a lover's doubt
Am E Fm
All of the railings black against the light
Am E Fm
Early cars cold, and tired eyes
Am E
Workaday, workaday
Fm
Carriages of the night cry by

[Chorus]

Am E Fm
Can you weave me a forgiving sea?
Am E Fm
Sew me a boat to get back to thee?
Am E Fm
Will you build me an honest bridge
Am E Fm
That I may cross when I come to it?
C E Fm
Find me a pair of fool-proof wings
C E Fm
Spin me a story that unwinds and sings

[Bridge]

B7 C E C
ooooh uuuuhuhooooh ohohooohuhooo

[Verse]

Am E Fm
All of the trials of my good friends
Am E Fm
All of the ways to save and make amends
Am E Fm
Strike me at this hour so clear
Am E Fm
But a thieving sky, she steals me here
Am E Fm

[Chorus]

Can you weave me a forgiving sea?
Am E Fm
Sew me a boat to get back to thee?

Am E Fm

Will you build me an honest bridge

Am E Fm

That I may cross when I come to it?

C E Fm

Find me a pair of fool-proof wings

C E Fm

Spin me a story that unwinds and sings

[Outro]

B7 C E C
