B

G#m F# E

This is it, when will I learn to shut my mouth?

B

Itâ€™s alright

G#m F# E

Itâ€™s alright, a love like ours is easy found

B

Is it fuck

G#m F# E

Is it fuck, I chopped through blood and bone for you.

B

This is me

G#m F# E

This is me, a question mark in human form

B D#m

Itâ€™s not an earth until it shakes.

F# E

Itâ€™s not a love until itâ€™s lost

B D#m

Itâ€™s not a heart until it aches

F# E

Itâ€™s not a line until itâ€™s crossed

B D#m

Iâ€™m barely in it till I know

F# E

I wonâ€™t be done until Iâ€™ve broken every bone

B D#m

This is real

F# E

This is really happening

We are lost

We are lost, thatâ€™s what Iâ€™m told eventually

Bite your tongue

Bit your tongue, sure give it here Iâ€™ll bite it too.

Hereâ€™s a thought

Hereâ€™s a thought, how bout we both say what we mean

Thereâ€™s that smile,

Thereâ€™s that smile, looks like itâ€™s been there all this time.

Itâ€™s not an earth until it shakes

Itâ€™s not a love until itâ€™s lost

Itâ€™s not a heart until it aches

Itâ€™s not a line until itâ€™s crossed

Iâ€™m barely in it but I know
I wonâ€™t be done until Iâ€™ve broken every bone
