

The Good Book
Tired Pony

HI!

This is the song The Good Book performed by Tired Pony together with Tom Smith from Editors.

I don't have the complete lyrics for this, but it is very simple and has only few parts.

I figured the chords Gary is playing from the concert I saw posted on youtube

C 332010
Fmaj7 x33210
Am x02210
Bb x88760

C **Fmaj7** **Am**
You were saved by the good book.
C **Fmaj7** **Am** **Fmaj7**
I was saved by the half full glass
...

that's all for the verse parts

chorus:

Bb **Fmaj7** **C**
Falling feels like flying, that's a dangerous hope
...

No guarantee for lyrics. but the chords are 100% right.
Have fun!
