

Just Be
Tiësto

Am

You can travel the world
But you can't run away
From the person you are in your heart

Fm

You can be who you want to be
Make us believe in you
Keep all your light in the dark

Dm

You're searching for truth
You must look in the mirror
And make sense of what you can see

Am

Just be
Just be

Am

They say learning to love yourself
Is the first step
But you take what you want to be real

F

Flying on plains exotic locations
Won't teach you
How you how to feel

Dm

Beside the fact
That you are who you are
And nothing can change that believe

Am

Just be
Just be

Am

Cause now I know
Is not so far
To where I go
There's not this spot

Fm

Since this I feel

Dm

I need

Am

To just be
Just be

Am

I was lost

F

And I m still lost

Dm **Am**

But I feel so much better

Cause now I know

Is not so far

To were I go

There s not this spot

Since this I feel

I need

To just be

Just be
