Versel:

G5 B5 E5

youâ€™re calloused, but you donâ€™t even know

Iâ€™m picking at my scabs.

Iâ€™ll let all the bruises show.

Chorus:

Iâ€™ll never forget what all these feelings meant.

Flying home for a funeral was my last regret.

Do you really care?

Your heart is just a stone.

Flying home for a funeral was my last regret.

For the G5 chord: play additionally the 4.Fret on the D-String.
