B

Your talk is cheap, your lies are weak

So hold your breath, don t even speak

E

You re a liar. You re a liar.

B

You make dirt mounds mountains

Raindrops fountains, small problems big

B

E

I can do without your problems, you re a problem

G#

So lately I've mainly been looking back

G# F# E B

To these past things the past brings and how the few should act (?)

G# F# E B

No one notices your issues they don't even make a mark

G# F# E B

They're just these stupid things that you bring like shadows in the dark

(interlude)

B E

So while you're running your mouth, saying things that aren't true

B B E B

I'll sit back and relax and realize how worthless I am, just for you

B E B

And all I'll say is this is the end of what we had

B E

Sincerely, your best friend
