

**Breathe Gentle**  
**Tiziano Ferro**

Hi guys, this is my first tab :) well, i m not sure about this one, but it sounds good with the song. So hope you like.

Just play these chords the entire song:

**A - E - Fm - E - A - E - Fm - E.**

The bridge is different, but i dunno that chords...

Here are the lyrics:

I want to give you all of me, the underneath,  
want you to show me imperfection is actually love  
I thought, cursed, I was cursed, destined to be lonely  
a circle in a world of squares where nobody knows me  
So with every footstep I must follow the kissing moments  
I thought were impossible

Breathe gentle, be gentle  
dont leave me behind  
cause love goes faster  
gentle, be gentle  
never let me go when love goes faster  
I will be gentle

See, photographs have only two dimensions  
but love defies all logic in a picture  
above all that is physical, Im falling  
Falling uncontrollably, it terrifies me, so

So if my compass, it fails me  
and I feel Im walking blind  
dont say goodbye dont let me hide  
oh please dont let me spiral  
tortured by you, oh, sweet torture!  
I am a pirate, love my fortune  
the walls have fallen now  
the key is yours to turn, Im breathing

Breathe gentle, be gentle  
dont leave me behind  
cause love goes faster  
gentle, be gentle  
never let me go when love goes faster  
I will be gentle

Every time I run somehow love is faster  
Without you loneliness is everlasting  
I still feel you but I hear you loudly  
Screaming: please wait for me  
Cause I dont want to hurt you  
And I dont want to loose this love this time.

Se cerco lo vedo, l amore va veloce e tu stai indietro

thanks!
