Verse 2

Dear lie  
You re dumb  
You think you ve got the best of me  
You think you won  
Misread my vulnerability  
I ve got your walls  
Now get the hell away from me  
I ve learned your art  
Won t let you unnerve me  
Won t let you control me  
The truth will only free me  
And your lies won t hurt no  
No more

Chorus

Lie lie  
I ve got  
Your walls  
Now get the hell away from me  
I learned your art  
Won t let you unnerve me  
Wont let you control me

The truth will only free me  
And your lies won't hurt no  
No more

Chorus

Lie lie  
Dear lie  
Lie Lie Lie Lie  
Lie Lie  
Dear lie
