

**Diggin On You**

**TLC**

**F#**

I was like peace in a groove

**Abm**

On a Sunday afternoon

**F#**

You were there so was I

**Abm**

In the park 4th of July

**F#**

I was chillin with my Kool-Aid

**Abm**

When Miss Chilli came to relay

**F#**

That you had a thang for me

**Abm**

Finest thang you d ever seen

**Ebm**

I must admit to you

**Ab**

I ve heard them lines a time or two

**F#**

Although for some apparent reason

**Abm**

Monkey lines are now in season

**Db Bbm**

Lights off, lights on

**B**

I guess the groove is on so I am

Chorus (2x):

**F#**

Diggin the scene

Diggin on you

Diggin on me

**Abm**

Baby bay-ooo-baby baby

**F#**

It s on like that

It s on like that

**Abm**

I gotta be in love or somethin like that

**F#**

I was like deep in a cool

**Abm**

What nt gone be nobody s fool

**F#**

Could not care less who was there

**Abm**

Could ve been like anywhere

**F#**

I was chillin with my Kool-Aid

**Abm**

Did not want to par-ti-ci-pate

**F#**

In no silly conversations

**Abm**

Had no time for new relation-ships

**Ebm**

I must admit to you

**Ab**

When I heard the lines you threw

**F#**

Although it usually turns me off

**Abm**

But this time you have turned me on

**Db**

**Bbm**

Lights off, Lights on

**B**

I guess the groove is on and I am

Chorus (2x)

**F#m**

**Db**

Oh why do I feel the way I do

**F#m**

**F#**

When all I can think about is you

**D**

What was it in a line

**Bbm**

That made me fall for you

**B**

Do you know

Why I m diggin diggin diggin diggin on you

Chorus (2x)

Diggin on you

It s on like that

Diggin diggin diggin diggin on you
