

Hello Love Goodbye  
To Be Juliet's Secret

Intro:

**A E F#m D**

**A**

I saw you walking in the street

**E**

Don't look this way, love, please

**F#m**

Just let my heart

**D**

Let it go

**A**

It took me back to that day

**E**

You turned and walked away

**F#m**

Said it's supposed to

**D**

Be this way

**A**

I'd be okay

**E**

Cause it was all the same

**F#m**

I guess our story

**D**

Is ending here

**A**

My pen could only write your name

**E**

You were filling every page

**F#m**

So fast

**D**

Then we fell and died away

**A**

It's not supposed to be this way

**E**

I'm so far from okay

**F#m**

If it's all the same

**D**

Then it's just you that's okay

**A E F#m D**

**A**  
I saw you crying in the street  
**E**  
Don't do this now love, please  
**F#m**  
We've been here

**D**  
So many times before

**A**  
Take me back to that day

**E**  
I turned and walked away

**F#m**  
And said it's supposed to

**D**  
Be this way

**A**  
I thought I'd be okay

**E**  
Cause it was all the same

**F#m**  
I guess our story's

**D**  
Ending here

**A E F#m D**

**A**  
Take me back to that day

**E**  
I'd make it all okay

**F#m**  
Don't know what to say

**D**  
I didn't know you felt that way

**A**  
My lips could only say your name

**E**  
You were filling every phrase

**F#m**  
So fast

**D**  
But then we fell and died away

**A**  
Take me back to that day (My pen could only write your name)

**E**  
I'd make it all okay (You were filling every page)

**F#m**  
Don't know what to say (So fast)

**D**  
I didn't know you felt that way (Then we fell and died away)

**A**

My lips could only say your name

**E**

You were filling every phrase

**F#m**

So fast

**D**

But then we fell and died away

**A**

It s not supposed to be this way

**E**

I m so far from okay

**F#m**

If it s all the same

**D**

Then it s just you that s okay

**A E F#m D**

**A**

Take me back to that day

**E**

I d make it all okay

**F#m**

Don t know what to say

**D**

I didn t know you felt that way

**A**

My lips could only say your name

**E**

You were filling every phrase

**F#m**

So fast

**D**

Then we fell and died away

**A**

Take me back to that day

**E**

I d make it all okay

**F#m**

Don t know what to say

**D**

I didn t know you felt that way

**A**

My lips can only say your name

**E**

You were filling every phrase

**F#m**

So fast

**D**

Then we fell and died away

**A E F#m D**

**A**

My pen could only write your name

**E**

You were filling every page

**F#m**

So fast

**D**

Then we fell and died away

**A**

It s not supposed to be this way

**E**

I m so far from okay

**F#m**

If it s all the same

**D**

...

**A E F#m D**

**A**

It s not supposed to be this way

**E**

I m so far from okay

**F#m**

If it s all the same

**D**

It s just you that s okay

**A E F#m D (x2)**

**A (hold)**
