California Wasted Toad the Wet Sprocket

California Wasted Toad The Wet Sprocket (From the CD New Constellation to be released Oct 2013) Capo: 2 | A | E | D | D | A | E | D | D | No time, where did the time go, What was I thinkin ? No compass, no maps, no sail on the mast This boat is sinking, we re going down Α There s too much in my head right now I ve got no way to slow it down | D | And no ones gonna pull me out Oh, I still make the same mistakes Oh, California s wasted on me-e Е I ll stare at the sun, Let the fire fill my eyes See nothing but light An endless day to banish the night, I could set this right But there s too much in my head right now I ve got no way to slow it down And no ones gonna pull me out Oh, I still make the same mistakes Oh, California s wasted on me-e

```
| E | E |
On the line where the ocean meets the sky
| E | E |
I ve been hoping I could see a sign, hoping I could see a sign
There s too much in my head right now
I ve got no way to slow it down
And no ones gonna pull me out
Oh, I still make the same mistakes
Oh, California s wasted on me
I still make the same mistakes
                            |A | E | D | D |
I m wasted out in California
Α
. There \ensuremath{\mathbf{s}} too much in \ensuremath{\mathbf{m}} \ensuremath{\mathbf{y}} head right now
        | D |
I m wasted
. There s too much in my head right now
