In the air I m sensing a change in the weather

In the end the path is clear

Crazy life

What have you done with peltier

Who did you think you d taken away

Crazy life

Am Em C D

In the air I m sensing a change in the weather

In the end the path is clear

Underground it takes to root

Anyway, it don t seem right
He is in there and you re on the outside
What have you done with peltier
Who did you think you d taken away
It s not over...
