All guitars are capoed at second fret.
Intro and verses:

Gmaj7

```

|------(0)-----|
|-----0-----0-----|
|-----4-----4-----4-----4-----|
|--5-----5-----|
|-----3-----3-----3-----3-----3-----0--|
```

Fmaj7

|-----|
|------(1)-----|
|-----0-----0-----|
|-----2-----2-----2-----2--0--|
|--3-----3-----|
|-----1-----1-----1-----1-----1-----|
```

The notes in parenthesis are only played during the verses. During the second and third verses, another guitar comes in and strums G-F over these two figures.

At the end of the verses, the last measure is an E chord changing to Esus, and back again to E:

```
|-----|
|--0-----0--|
|--1--1h2--1--|
|--2--2---2--|
|--2--2---2--|
|--0--0---0--|
```

For the chorus, with the lines I will not take these things... ,
the chords are

C D G
I will not take these things...

Then the second verse, same guitar as the first, but starting on the Fmaj7 chord, not the Gmaj7.

The second chorus is much the same as the first:

C D G

I will not take these things for granted

C Em
I will not take these things for granted

C D G
I will not take these things...
