

**Little Heaven**  
**Toad the Wet Sprocket**

This is one of my favorite songs. The best way to learn is to play the chords along with the song, that way you learn the strumming. Toward the end it gets a little tricky, during the breakdown, but maintain strumming the chords, keep listening for the changes, and you ll be fine.

VERSE 1

**G**            **D**            **Am**            **C**  
Opened my eyes The fire had come  
**G**            **D**            **Am**  
Not for the end of days  
**C**                            **G**  
Not for the faithless ones  
**G**            **D**            **Am**  
Not for vision understood  
**C**                            **G**  
Burns because it has to burn  
**D**                            **Am**  
Change ll happen whether we  
**Am C**            **G**            **Cmaj7**  
Are still or moving

CHORUS

**D**                            **Cmaj7**  
Breathe in waves of doubt  
**G**                            **A**  
Bitter in your mouth  
**A**            **C**                            **G D Am C**  
You will exhale cinnamon clouds

VERSE 2

**G**            **D**            **Am**  
When it is quiet still  
**C**                            **G**  
I can feel older here  
**G**                            **D**            **Am**  
Change what I can and pray  
**Am C**                            **G**  
The hope will not disappear

**G**                    **D**                    **Am**  
When we are not denying anything  
**C**                    **G**  
Nothing is an enemy  
**D**                    **Am**  
Delicately balancing  
**Am C**            **G**            **Cmaj7**  
The perfect world

CHORUS 2

**D**                                    **Cmaj7**  
Ride these waves of doubt  
**G**                                    **A**  
Bitter in your mouth  
**A**                    **C**                                    **G**  
You will exhale cinnamon clouds

**G**  
Little Heaven  
**D**  
Little Heaven  
**Am C**  
Ooh Ooh  
**G**  
Little Heaven  
**D**  
Little Heaven

SOLO  
**Am C G D Am C G D Cmaj7**

CHORUS 3

**D**                                    **Cmaj7**  
Riding waves of doubt  
**G**                                    **A**  
Turns me inside out  
**A**                    **C**                                    **G**  
I will exhale primal shout

**D Am C G**

**D Am C G**

**D Am C**

**G**  
Little Heaven

**D**

Little Heaven

**Am C**

Ahhh Ahhh

**G**

Little Heaven

**D**

Little Heaven

**D Am**

I understand

**Am C G**

The fire will come

**G D Am**

Not for the strength of will

**Am C G**

Or the passion of anyone

**G D**

I understand

**D Am C G**

The fire will come

**G D Am**

Not for the end of days

**C C G**

Not for the faithless ones

**Cmaj7 G (END)**
