If you re looking for tab for a specific toad song,
write me. I might be able to help.

The whole song is really the same four chords, as far as
I can tell. The two guitar parts are fairly easy to
separate, so I won t do it here. See the end of the
file for the chord voicings I use.

Oh, and remember that the time signature is not 4/4.
(I think it s 3/4, but I could be wrong.)
