C G

Precious baby girl,

G D

Or a bouncing baby boy

Em C

She could either keep it,

G Em

Or give that child away

Am

So she quit school that morning,

Am D

And became a mom that day

G

Ain t no right way,

Trying to make him walk the line

G

Ain't no right way,

C

To do the wrong thing,

D

You can justify,

But it's still black and white,

G **D**

Em **C**

If God blessed America,

G

Em

Then how could someone vote,

Am

To take prayer from our classrooms,

Am **D**

Right when we need prayer the most

G

Ain't no right way,

C

To do the wrong thing,

D

You can justify,

But it s still black and white,
