

Big Blue Note
Toby Keith

C Am F G
See that big blue note, over there on the counter
C Am F G
You don t wanna read that thing, man, it s a real get-you-downer
C Am F G
But don t you dare say nothin else, bad about her
C Am F G
She s gone

No, no, no, no, don t, don t throw it away, Cause tonight, I might need it
It gets real lonely around here at night some times, and I have to reread it
Besides, you can show it to the boys down town They won t believe that
She s gone

Chorus:

 F Em
There used to be a time I was all she ever wanted
F G C
All the man that she ll ever need
 F Em
I come home to find just like that she s up and vanished
 F G
And the only thing she left behind for me

Is this big blue note, folded up in my pocket
Yeah, don t laugh, it s been two months, I still got it
Sometimes I have to read the sucker twice just to make sure I ain t forgot that

She s gone

You know, my psychiatrist said, Tell me, what do you see
When you look at these inkspots, Of, uh, reds, yellows and greens?
You know, I looked at em all, but they all looked to me like
Big blue notes

Solo

Chorus

Is stand high on this cliff, overlooking the sea
With my big blue notepaper airplane, that I just set free
Now I m gonna wait here a few more minutes, and if it don t come back to me, you
guessed it

She s gone
