Em G F- A A C D D Bm A
turning midnight burning the moonlight Girl I still feel the same
Bm A Em G Em
about you I can't spend the night with out you You still move
G Em G C D
me turning midnight burning the moonlight.

(2-nd Verse)

D G D Bm
I was up and running my fingers through her hair you could have cut
G D
the passion with a knife in that southern midnight air. I kissed her
G D+F# Bm G
sweet on that pickup seat my blue jeans hit the floor her body
D+F# G
heat and my cold bear feet pressed up against the door.

2-nd Chorus:

(3-rd Verse)

D G A D+F#
It happened fast just like that it didn't take us long like smoke
A G D
rings off my cigarettes our innocence was gone. I wanted to
D+F# G A
say something but I buttend up instead she sat there and
Bm G D
brushed her hair smile was all she said.

3-rd Chorus:
