[Verse]

A Bm
American girls and american guys, we ll always stand up and
F#7 G D
salute, we ll always recognize when we see old glory flyin . There s a lot of
A A7
men dead so we can sleep in peace at night when we lay down our head.
D A Bm
My daddy served in the army where he lost his right eye, but he flew a flag
F#7 G
out in our yard till the day that he died. He wanted my mother, my brother,
D A A7
my sister and me to grow up and live happy in the land of the free. Now this
D A Bm
nation that I love has fallen under attack. Amighty sucker punch came flyin
F#7 G D
in from somewhere in the back. Soon as we could see clearly through our big
A
black eye, man, we lit up your world like the Fourth of July.

[CHORUS]

G A D
Hey, Uncle Sam put your name at the top of his list and the Statue of Liberty
Bm7 G A
started shakin her fist. And the eagle will fly and there s gonna be hell
D Bm7 G
when you hear Mother Freedom start ringin her bell and it ll feel like the
A Bm A
whole wide world is rainin down on you.
