Ford Truck Theme

**E B**

**E**  
Iâ€™m a Ford Truck man, thatâ€™s all I drive

**B**  
I ainâ€™t got no boundaries, I donâ€™t compromise

**E A**  
I rather walk ten miles, then be down on my luck

**E B E**  
Then ride around the block in any other pick up truck.

**B E**  
You can see me in the highway in the left-hand lane

**B E**  
Lost out on a back road in the pourinâ€™ rain

**A E A**  
And Iâ€™ll pass that center line when the ride gets rough

**E B E**  
Ainâ€™t not doubt my king of the moutainâ€™s built Ford tough.
