

**Forever Hasn't Got Here Yet**  
**Toby Keith**

**E** **A**  
Girl watcha talkin bout, I ain t believin this  
**E** **A**  
I ain t settlin for none of this foolishness  
**E** **A**  
We can t let a sure thing drown in a puddle of doubt  
**E** **A**  
It s just some rocky road but we ve got solid ground  
**E** **A**  
It s just a little bump we can work around  
**E** **A**  
We ve got a lifetime ahead so don t go quittin me now

CHORUS:

**B** **A**  
Come on baby we re still together  
**B** **A** **E**  
This ain t as good as it s gonna get  
**B** **C#m**  
I swore I d love you til the end of forever  
**B** **A** **E**  
And forever hasn t got here yet

Does it matter girl, who s really right or wrong  
This ain t the kinda thing we should sleep on  
I say we start it all over tonight with a kiss  
So slide over here momma, it s gonna be alright  
We ll write it off as just another angry night  
I like it better when we re makin up like this

CHORUS

break

CHORUS

**B** **C#m**  
I ll still love you til the end of forever  
**B** **A** **E**  
And forever hasn t got here yet  
**A** **E**  
No, it hasn t got here yet
