Note to self
Remember when

You use to light her up
When you walked in
And she stole your breath away
That s the way it was
Everytime you kissed her
And she still does

Hmm I ain t gonna mess it up this time
HmMMMMMMMM I m gonna really make her proud she s mine

Turning down the street
I m pulling in the drive
Door ain t lock
So I step inside
She ain t here to greet me
So what s goin on?
Note self
She s already gone

HmMMM gone
HmMMMMMMMM gone

HmMMMMMM I guess I really messed it up this time...
