Verse 1:

Em **D**
Met you in a café at a table meant for two
C **D**
You were sitting by your lonesome when I sat down with you
Em **D**
Tried hard not to show it but I couldn't help but see
C **D**
That you wore a broken heart out on your sleeve
C **D**
And your loneliness could not disguise the beauty and the charm
C **D**
Thought if I ever get you, shattered lady in my arms

Chorus:

G
I m gonna rock you baby to sleep
Em
I m gonna make you crazy over me
F **C**
I m gonna hold you like you ve never been held before
F **D**
And love you till you tell me you can't love anymore
G
I m gonna shake your emotion right down to your soul
Em
Then I m gonna love you all over in and out of control
F **C**
If this is how love is supposed to feel
F **D**
Baby I know I ve fallen head over heels
G
I m gonna rock you baby
