**Em**  
She s someone elseâ€™s wife.

I can get on with my life,  
**D**

And that thrills me.

She married him today,

**Em**  
Her daddy gave the bride away.

**C**  
I heard a tear roll down her face,

And that kills me.

(Pre Chorus)

**Am** **D**  
Cause now I  
**Am**  
Can see why,  
**D** **C**  
She s finally cryin.

[ Chorus ]

**G** **D**  
How was I supposed to know?

**Em**  
She was slowly letting go?

If I was puttin her  
**C**  
through hell,

**D** **G**  
Hell I couldn t tell.

**G** **D**  
She could ve given me a sign,

**Em**  
Could ve opened up my eyes.

**C**  
How was I supposed to see?

**D**  
She never cried in front of me.

**G** **D**  
Yea maybe I mightâ€™ve changed,

**Em**  
It s hard for me to say.

**C**  
But the story s still the same,

**D**  
It s a sad one.

**G** **D**  
And I ll always believe,

**Em**  
If she ever did cry for me,

They were tears that

**C**  
you can t see,

**D**  
You know the bad ones.

(Prre Chorus)

**Am** **D**  
And now I

**Am**  
Can see why

**D** **C**  
She s finally cryin.
