[D]If I could in[A]vent a time[A7] ma[D]chine  
[D]Baby we d [A]both be [A7]seven[D]teen

[bm]Cruising in [A]my first car  
[D]Acting like [G]movie stars on [A]Friday night  
Do you remember those Friday nights

Chorus:

When we were a [D]rock ready to [D/F#]roll  
And there was a [G]fire down in our [A]soul  
When all the whole [D]world had to stand[f#m]still  
Then turn around [G]us, cause that was the [A]deal  
And oh how those [f#m]nights went flowing like [bm]wine  
When I was all [em]yours and you were all [A]mine  
And we were in [D]love, [A]yeah we were in [D]love

[D]I can still [A]see you [A7]when I [D]sleep  
[D]And there is a [A]picture [A7]I still [D]keep  
[bm]Of you with your [A]hair in the [A7]wind  
[D]And me with that [G]crazy grin  
Under a [A]summer sky  
When dreams were too young to die

Repeat Chorus

[A]I know, [A7]I know it sounds crazy  
But baby, you re [D]still the one  
So [A]let s find a way to [f#m]bring back the days  
When our [G]hearts were forever [A]young

Repeat Chorus
