

White Rose
Toby Keith

I couldn't find the chords anywhere so I made this from ear.

White Rose " Toby Keith

Capo 2

G, C, D, G (X4)

G

Yea, the whole town came out to watch

C

The day they paved the parking lot

D

Somebody hung a ribbon up,

C

And then they cut it down

And that big white rose upon that sign

Put innocence in all our lives

We could see its neon light

from half a mile out

Gas was .50 cents a gallon

They'd put it in for you

they'd bump your tires and check your oil,

And wash your windows too

And we'd shine those cars bright as bright

We'd go park underneath that light

Stare out at the prairie sky

There was nothing else to do

Chorus

G

C

And now there's plywood for glass

G

D

Where the windows all got smashed

G

C

And there's just a chunk of concrete

G

D

Where those old pumps used to stand

G

C

There's a couple of cars half outta the ground

G

D

And that old sign still spins round n round

G

C

G

I guess the White Rose filling station's just a memory now

And the girls would spend a couple of bucks
Just to meet the boys workin at the pumps
And we d pull up and fall in love
And they ve all moved away

Strangers used to stop and ask
How far they ve driven off the map
And then they built that overpass
And now they stay out on the highway

Chorus

And that neon sign was the heart and soul
of this ol one horse town
And it s like it lost its will to live
The day they shut it down

Chorus

G **C** **G**
Yea that ol White Rose fillin station s just a memory now
