E **A**
Well I ain t high and dry, I ain t got a big boat
E **B**
But I got a new umbrella and an overcoat
E **A**
And if the good Lord s willing and the sun breaks through
C#m **A** **E** **A**
That ll be one more day that I made it without you
E **A**
That I made it without you

Chorus:

G#m **A**
I don t care what the future holds
F#m **E**
And I don t care about what you ve been told
F#m **A** **E** **B**
Don t want to hear what the weatherman has to say
F#m **A** **E**
Cause I m standing knee deep in yesterday s rain

(same chords)

All those fools go rushing, they don t hesitate
And the lonely go looking where the losers wait
And I m thinking, somewhere in the middle there s a love that s true But
I ain t found one yet, and I ain t got you No I ain t got you baby

(Chorus again, then:)

A **E** **A** **E** **A** **E**
Yesterday s rain, yesterday s rain, yesterday s rain
