My Sweet Song

A

It s been a long time

C#7m **Bm** **E** **Amaj7**

What d you come around here for?

E

Cos that old love is gone

A

And I ve since carried on

C#7m **Bm** **E** **Amaj7** **Bbdim**

Thought I was rid of you for sure

E **Abm** **C#m**

Oh my sweet sweet song

F#7m **Bb7** **E** (**Bb7**)

You don t sound so sweet no more

E

Please don t sing to me

A

Cos it hurts me to hear

C#7m **Bm** **E** **Amaj7** **Bbdim**

The melody that was good to me before

E **Abm** **C#m**

Oh my sweet sweet song

F#7m **Bb7** **E** (**E7**)

You don t sound so sweet no more

A

Oh you said love, was forever

E/Ab

And you told me, love would never

F#m **Bb7** **E** **E7**

Break my heart, and I believed you as I fell

A

But that s all over, let it go you re

Ab7 **C#7m**

Just a song I used to know

F#7

And your fantasy, it don t work for me

Bb7

Go and pick on someone else

(solo over verse)
