You d probably think I m singing

Am **F** **Am**
Bout some pretty serious stuff

Am **F** **G** **Am**
But in reality I m singing about the lack of stuff I m singing bout

F **G** **Am**
This part s intense and emotional

F **G**
As long as you don t understand it

Am **F**
Your foreign grandma

G **Am**
Would love this song

F **Am**
Please send it to her

F **Am**
And she ll probably tell her foreign friends about the

F **Am** **F** **Am**
song her grandson or daughter sent her today

F **G**

F G Am

A perfect translation does not exist

Well, at least, not in your language

But if you must know, well, picture this

F Am E

50 billion rainbows and the sun is setting

Am F

And the moon is setting also

Am F Am

And you re there in a gazebo

F G

And then God descends from heaven

G Am

And he gives you a million dollars

Am F Am F Am

Take that feeling and put it into a song

I could translate word by word but that d take too long
