

Whistle While I Work It
Toby Turner

Intro

C#m (Go up fretboard - **C#m D D#m E**)

C#m (whole verse)

A few drinks at the house
Gotta get that buzz going
Cause I can afford
The club drinks That they re pouring

C#m

Valet s 20 bucks

C#m **B**

So I ll find me a meter

C#m

It s five blocks away

C#m **B**

But the parking is cheaper

C#m

I walk straight up to the bouncer
Got the flyer in my hand

B

Said I didn t bring the ladies
But I ve brought my favorite friends

C#m

He doesn t say a word
He just points us to the back

B

Like he thinks we ll wait in line
No, no we Ain t doing that

C#m

Cause I know somebody

E

Who knows somebody

B

Who knows somebody

F#

I whistle while I work it

I whistle while I work it

I whistle while I-----

C#m (whole verse)

4 out of 5

Make it some hours later

Sober up, over heated

And I can t find a waiter

C#m (whole verse)

We dance up on some girls

But they re blocking us out

I could win them with words

Bbm

But the music s so loud

C#m

Afraid to use the toilet

I ll get vomit on my pants

B

And I never tip the bathroom guy

Bb

That helps me dry my hands

C#m

That guy has a table

we can drink up for a while

B

Til they notice we ve been mocking

Bb

And get kicked out with style

C#m

Cause I know somebody

E

Who knows somebody

B

Who knows somebody

F#

Who knows

C#m

I whistle while I work it
I whistle while I work it
I whistle while I-----

C#m (for the whole rap)

Fellas say HO!
Ladies say OW!
You stepped on my foot
Ice will bring it right down

Dating foreign girls
Last name no vows
rock the tight T
Black Simon Cowel

Wanna throw my hands up
JUMP, JUMP
But it s too cramped the Krump
I might bruise my junk

I know where to go
No shennanigans
Just new fake noses
And Kardashians

Hey girl
Let Me In This VIP
Excuse me
Who are you supposed to be?

I am Wayne Brady
From your T.V. screen
Do I have to choke a bitch
Now do you believe?

I love Whose Line
And I watch your game show
Then you hook a brother up
Uh, let me see, NO!

C#m

Cause I know somebody

E

Who knows somebody

B

Who knows somebody

F#

Who knows

C#m

Cause I know somebody

E

Who knows somebody
