Verse 1:
F#m7(add4)
I m starin unaware cause I m in the zone.
It moves in like a fog on a seaside road.
Paralyzed by the signs and the defeaning tone,
I m on a lock like a jock with a broken bone.

I can see the real game and I wanna get in it.
I can read you headlines and I m dying to spin it.
Man down in the clutches of his own desire,
I gotta find the kind of speed that will put out a fire.

Chorus;
          Bm7   C#m7
I need a getaway car.
   F#m7
I gotta get outta here fast and far.

Verse 2:
F#m7(add4)
I put my hand to the wheel fore I change my mind.
I put my foot to the flow and I start to fly.
I keep my eyes on the road so I don t get spun around
To the nightmare I ve been delivered from.

It s a brand-new day, I drove hard all night.
I thank God for the sun as it starts to rise.
I take a peek in my mirror and my past is gone.
I m feelin free as a bird with a new song.

(repeat chorus)
