Verse one:

(play Bm as many times as you see fit, the strumming pattern for this song changes like every part, just play it as you see fit.

Bm

Start it up, turn it on, we can ride this storm.
A grip of hope in our hands for the cumming dawn.
Up to our necks in complexities causing us to pause.
As we collect our thoughts.

Bm Bm(3fr)

So don t blink when you wanna come cross the border,

C#m Bm(3fr)

Take a look around or come test the water.

Bm Bm(3fr)

We won t stop till we see mornin .

Bm(3fr) Asus2

So welcome to the quiet before the storm hits...

Chorus:

Earth shaking, we be quaking like a wake up bomb.
This aint no trouble overseas.
