

**Steal My Show**  
**tobyMac**

[Intro]

**G/Em/C/D** (x2)

[Verse 1]

**G** **Em**  
Another cold night, another late flight,  
**C** **D**  
It s almost show time and diver city s waiting on me.  
**G** **Em**  
We ve got a packed house, the crowd is calling out,  
**C** **D**  
They want the beat to drop but what we really need is You.

[Chorus]

**G**  
If You want to steal my show,  
**Em**  
I ll sit back and watch you go,  
**C**  
If You ve got something to say,  
**D**  
Go on and take it away,  
**G**  
Need You to steal my show,  
**Em** **C**  
Can t wait to watch you go-o-o-o  
**D**  
So take it away.

[Verse 2]

**G** **Em**  
So now the crowd is hyped, That You showed up tonight  
**C** **D**  
Anticipatin , cravin something more than smoke and lights,  
**G** **Em**  
So I ll step out the way, I ll give You center stage  
**C** **C**  
All right; spotlight  
**D**  
Give em what they came for!

[Chorus]

**G/Em/C/D**  
**C** **D**  
When You arrive, we come to life,  
**Em** **G**  
Our hearts collide they re beating in the same time

**C** **D**  
You re coming through, all eyes on You,  
**G** **Em**  
Our hearts collide they re beating in the same time  
**C** **D**  
beating in the same time  
**G**  
No matter who we are  
**Em** **C**  
No matter what we do (do, do, do, do)  
**D**  
Every day, we can choose...to say:

[Chorus/Outro]

**G** **Em** **C** **D**  
My life, my plans, my heart, it s all yours, God.  
**G** **Em** **C** **D**  
My dreams, my fears, my family, my career,  
**G** **Em** **C** **D**  
Take it away, take it away, it s all yours, God.  
**G** **Em** **C**  
Take it away, take it away,  
**D** **D**  
It s you I want to live for!
