Todd Agnew: If you Wanted Me

**A** **D**  
I ll admit I m glad we re not disciples  
**A** **D**  
Out on a lake paralyzed with fright  
**A** **D**  
Cause I m afraid I might have laughed at Peter  
**A** **D**  
Until he stepped into that stormy night

**Fm E A** **D**  
If You wanted me to walk on water  
**Fm E A D** **A** **D**  
Why d You make this solid ground seem so right?

I ll admit I m glad I m not King David  
Ruling over everything I see  
Cause I think I ve fallen for more than Bathsheba  
Your creation s a temptation for me

If You wanted me to love You only  
Why d you make the moonlight sparkle in her eyes?

I ll admit I m glad I m not John the Baptist  
In a jail cell waiting for my day to die  
Cause at least down here I know what we re chasing  
And it s hard to trust Your dreams are so much better than mine

If You wanted me to die to myself  
Why d You make me fall so deeply in love with life?

If You wanted me to surrender  
Why d You make these hands able to hold on so tight?

**Fm E A** **D**  
If You wanted me to be like You  
**Fm E A** **D**  
Why d You make me like me?
