TETHER POLE â€" Todd Kuffner
Tabbed by: Kengus
Official website: http://toddkuffner.com
Standard tuning
                                                             \mathbf{C} = \mathbf{x}\mathbf{x}0232
Capo on second fret!
                                                             \mathbf{G} = \mathbf{x}02220
                                                       Bmadd11 = x24430
VERSE I
                                                             \mathbf{F} = 320003
                                                            C* = x57775
              C
You we got me wrapped around your tether pole
                                                         Csus4 = x57785
                                                            G^* = 577655
                                                         Gsus4 = 557755
I m wrapped so tight that I can t move
                                                           Am* = 799777
  Am(add11)
But even if I could, I don t think that I would
                                                            G^* = 355433
 Cause this is where I wanna be, I hope there s no more misery
I think it s time for love, it s time to get some love
VERSE II
I m confident that I can beat
This matter of geography
   Am(add11)
The ocean s not enough, to keep me from you, love
I don t see why I d ever leave, if you were there in front of me
 Am(add11)
So I resolve to be wherever you find peace
CHORUS
C* Csus4 C* G* Gsus4 G* Am*
                            from sunrise to sunrise
You stay on my mind,
           Csus4 C* G*
And I would be your everything, well I ll be anything you need
VERSE III
The days are filled with memories
But just as prevalent are dreams
  Bmadd11
Of memories to come, of being with you, love
```

```
C
                         G
I wonder if my enemies, like circumstance and reality
Would stop their tyranny, if they could see my love
CHORUS
C* Csus4 C* G* Gsus4 G* Am*
You stay on my mind,
                         from sunrise to sunrise
         Csus4 C* G*
And I would be your everything, well I ll be anything you need
BRIDGE
C* G* Am* F*
                         + licks with x5x7xx, x7x9xx and x9x11xx
C* G* Am* F*
CHORUS (muted strumming)
               G* Gsus4 G* Am*
You stay on my mind, from sunrise to sunrise
                   G*
                                      Am*
And I would be your everything, well I ll be anything you need
CHORUS
C* Csus4 C* G* Gsus4 G* Am*
                                          F*
You stay on my mind,
                   from sunrise to sunrise
         Csus4 C* G*
                                       Am*
And I would be your everything, well I ll be anything you need
VERSE IV
    С
I m wrapped around your tether pole
I m wrapped so tight that I can t move
   Bmadd11
But even if I could, I don t think that I would
Cause this is where I wanna be, I hope there s no more misery
     Bmadd11
I think it s time for love, it s time to get some love.
