Love of the Common Man
Words and Music/Todd Rundgren

Okay I guess I m going to have to fill up this artists folder all by myself.Any way thanks for your thumbs up email.
This is one of TR s favorite live performance songs,because he plays it well as a solo number on a 12 string Ovation.Although the video shows that Todd s playing all over the neck as well as 1st position chords,I think it sounds better and is a bit easier(at least for me it is) if you keep the chords simple.
Remember boys and girls just listen to the record and follow the changes.

1st verse

E G#m7 C#m7 B A Asus E
I ve been burned -----in my prime. The simple

G#m7 C#m7 B A
things in life seem so hard to learn sometimes.And it

Dmaj7 A Emaj7 C#m7 B A F#m7
takes so long---catch it while you can. To late

B A/B/A
tomorow and everyone.....
2nd Verse(same chords)

Said we all know what comes of that,living in your pockets and talking through your hat.But it won t take long to turn your head around .Too late tomorrow cause

A/B/A F#m7 B Emaj7 C#m
everyone --Needs the love of the common man ----turn

B A F#m7 B
the world around too late tomorrow cause

A/B/A G#m C#m
everyone.....Everyone is waiting just anticipating on

Any comments, changes, additions and corrections welcomed.
