One of them plays a piccolo in my ear

Dmadd2

**FM7/A**

Another one makes me smell things that aren't there

Dmadd2

And they know where to hide

**FM7/A**

**A**

And they know everything that's inside

Dmadd2

Of my head

Dmadd2

**FM7/A**

Tiny demons, inside me

Dmadd2

**FM7/A**

One of them ties a lasso around my heart

Dmadd2

**FM7/A**

Another makes me nod when I drive the car

Dmadd2

And they won't ever leave

**FM7/A**

**A**

But they won't show their faces to me

**FM7/A**

And they wait til I feel

Dmadd2

**A**

Like they're gone and they jump out and steal

Dmadd2

My relief

**FM7/A**

Tiny demons

Dmadd2

And they know where to hide

**FM7/A**

**A**

And they know everything that's inside of my head
